BE A BUDDY NOT A BULLY POSTER COMPETITION

On behalf of Stuart, Jess, Charlize, Levi and myself (The Competition Team) we would like to let the parents and children of grades one, two and three know that we will be having a poster competition called “Be a Buddy not a Bully.” The poster competition team will be coming around to your classrooms to explain why bullying is something we want to stamp out of our school. We will also explain to the children that they will need to draw a picture showing how to be a Buddy not a Bully on the posters provided.

The children will have until next week to complete their poster and then the competition team will collect the posters from each classroom and then Mrs Stewart, Stuart and I will pick the winners. There will be a winner from every year level.

We can make a big difference in our school if we work as one, with purpose and unity.

GOOD LUCK AND HAVE FUN!!!!
