No partners necessary and it’s never too late to pick up a new dance step. Love is always in the air when there’s dancing involved!

Reclaim Your Relationship (LAPPRYR) ANNETTE MAGRO

For many (if not most) couples, once they become parents their roles as mum/dad gradually eclipses those roles that first defined their marital relationship: husband and wife. This transition from spouse to co-parent happens without us even realising it. As parents, we want the best for our children. Paradoxically, reclaiming your role as wife and husband is the best thing you can do for your children. LAPP offers you the opportunity to spend quality time with your partner while rediscovering your relationship. You will learn about the principals of a happy, successful marriage and how to apply them to your own relationship. Facilitator, Annette Magro, provides a comfortable and enjoyable atmosphere for couples to reclaim their relationships.
