Dear Parents

As part of our drug and health education next term we are having the Life Education mobile classroom visit our school from: May 27th till June 4th.

We are confident that it will be a real highlight of the children’s year! It will help to facilitate the development of the life skills in students to prevent and minimise the harm of drug misuse.

Lessons are age appropriate and the children will be covering a wide range of drug and health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills. Healthy Harold, the much loved Life Education giraffe mascot is a much anticipated element of the Life Education visit. The sessions are fun, interactive and really extend and develop the children’s understanding of the topics covered. We will be further broadening these topics in class both prior to and after the Life Education visit with the student workbook which is included in the cost of the visit. It is important that your child attend this session. If you object to your child attending please contact their classroom teacher.

2015 Parent Information Session

As part of our drug and health education this term we are offering you the opportunity to visit our Life Education mobile classroom, while it’s here at our school.

Have you ever considered the following?

What is my child learning in Life Education?

Have you seen inside the Life Education mobile classroom, or know of Harold?

What drug education is appropriate for primary school students?

Why do we have health and drug education?

How is health and drug education integrated into your school’s curriculum?

Want to know more?

NOW IS YOUR CHANCE.

The Life Education mobile classroom will hold a parent session on Friday May 29th at 2.40-3.10. If you are able to attend could you please email Karen Crimmins-karenc@smrosanna.catholic.edu.au
