Saint Martin of Tours Primary School is a registered SunSmart school member committed to ensuring students and staff are protected from too much UV which can cause skin and eye damage and skin cancer. Our school uniform includes covering clothing and sun protective hats and we have shady spaces for students to access. But we need your help.

SunSmart recommends SPF30 or higher broad spectrum, water resistant sunscreen be applied to any skin not covered by clothing. Our school will be implementing strategies to help remind students to apply sunscreen before heading outdoors.

Please help support this initiative by:

- Supplying your child with SPF30 or higher, broad-spectrum, water-resistant sunscreen for use during school hours
- Talking to your child about the importance of using sunscreen regularly to help prevent skin damage and skin cancer
- Ensuring your child knows how to apply their sunscreen independently and has had some practise so they will be all set to apply it safely at school
- Being a SunSmart role model at home with sunscreen, hats, clothing, shade and sunglasses.

Sun protection is a shared responsibility. For more information about sunscreen please visit [sunsmart.com.au](http://sunsmart.com.au)

P.S. Have you heard about Vision202020’s *My Park Rules* competition? Visit [http://myparkrules.com.au](http://myparkrules.com.au) to find out more. It’s an opportunity to design a dream green outdoor space with the winner actually getting it built!

Thanks for your ongoing support! Have a great term four.

Regards

Justine
